## PRAYER REQUEST FOR A FRESHLY SAVED MAN

After preaching in a church a man had a talk with David. He attended church since a good while and admitted that he hadn't given his life to Jesus yet. After explaining the gospel again David

asked if he would like to surrender his life to Jesus. He said "yes". They went to a side room to pray. David asked: "What happened and how do you feel?" With a smile on his face

he said: "I feel much better!" Please pray for "N" as he has a drinking problem which had ruined his life. Pray that he will be totally free from that addiction and will enjoy life in HIM.

## Arthritis disappeared

In early March 2015 I asked David to pray for me for healing of my eyesight (I am visually impaired) and after a talk together he also prayed for healing for arthritis in every part of me.

When I got home I was aware that the pain in my ankle had gone!! That night I had to trust that this was a healing from Jesus and not take any pain killers before going to bed. I started to think the pain would come back, but it didn't throughout the whole night. I then declared this was a healing given by Jesus, phoned a couple of close Christian friends to pray for me as I took the step not to take pain killers.

No pain at all overnight or when I got up!! Praise the Lord! If I do let thoughts coming that my arthritis will come back I boldly declare that I have healing from The Lord Jesus. I know that in His time The Lord Jesus will restore my eyesight and I look forward that happening. Watch this space!

## SPECIAL ENCOUNTER AT THE OPEN-AIR

A man called George Cole which used to be a jazz musician and drummer playing for Piccadilly Six in Switzerland (four albums out) passed the

Open-air. David tried to witness to him and only after a while David real-

ised that this man can speak Swiss German. So they continued in Swiss German. That was the first English native person David spoke Swiss German with. It was quite amazing. At the beginning he seemed not to be interested in God and talked like a book about himself and his career. It was very interesting and there was a moment where David could pinpoint where George's heart received ears and a different atmosphere

took over. He listened (which was quite something :-)) In the end David could pray for him

which George was grateful for. Please pray that God will save him as his past career won't do him any good for eternity.

## CLASSICS FROM THE BOYS

After a recent Gospel outreach meeting when Caleb heard Daddy preaching he reflected and prayed: "I want to live my whole life for you and not half of it." Two years ago Caleb prayed for his softies (teddies) that they would give their

hearts to Jesus. After prayer he said that snowman has already given his heart to Jesus when he was seven. (:-) isn't it so cute!) " My favourite cup o' coffee's a cuppa tea":-)

Jadon prayed when he said grace at the table: ...and help Daddy to

get all the work done before he goes to Heaven :-) On another occasion after a breakfast outreach meeting in relation to Daddy's talk which was about 'when you truly believe action will follow.' Jadon said at bedtime 'out of the blue' 'I want to be a believer!' 'But I want to be a real one!' (He is already one.)

THANK YOU SO MUCH FOR YOUR PRAYERS!

David & Senra

THE OHIN FAMILY WISHES YOU A HAPPY CHRISTMAS!
