MINISTRIES

Issue No. 21 March 2020

India trip

Over a hundred people got saved altogether during David's visit to India, where he stayed in three places with many different meetings! Praise God! (We didn't put it on the website for the sake of visa issues)

David started in Vijayawada, where he preached in a local church. God was there and people got delivered

from demonic strongholds and some received healing. The warm hearty welcome was very touching and how they put all their effort into excellent hospitality even though they don't have much themselves.

One ministry includes 2500 churches, 1000 full time pastors, 11 orphanages and 3 children's programmes (similar to

orphanage). David stayed in an orphanage where they had 72 very happy children being brought up with a high standard of Christian morality and the one who is in charge is an outstanding example.

David spoke at a pastor's conference to 100 pastors

organised from that ministry and in a gospel meeting with a thousand widows and lepers. There, many gave their lives to Christ.

In another place we ran a three days gospel crusade where we had up to 300 people.

We had powerful meetings with God's strong presence there. Moslem and Hindu

people repented and got saved (by the way Hindus have 33 million gods.) These meetings were marked with much joy and happiness for what the Lord has done. We also had deliverances, in particular one was very power-

ful.

A lot of healings took place in that crusade and the gift of prophecy was in action.

After every meeting people queued up for prayer and sometimes that went longer than the meeting itself. On the way to the airport David finished with another pastors conference where he spoke to 50 pastors.

There is no doubt, God has touched many people's lives in a real way. David also had never prayed for so many sick people individually before in his life in such a short amount of time – literally hundreds. God has opened the door in India to run gospel crusades in the future.

David loves Africa, but has now included India in his heart too.

Deliverance from a spirit of adultery

(anonymous testimony)

Greetings to you in the precious name of the Lord and Saviour Jesus Christ. This is my testimony.

I'm from a Christian background. I was born and brought up in a Christian family. Since 2-3 years ago I was caught up with a spirit of adultery.

David Ohin was preaching about the woman who was caught in adultery and Jesus forgave her by saying 'go in peace and sin no more.' I was touched by that sermon and approached David to pray for me.

I used to get bad thoughts of adultery without me wanting them. I struggled a lot with this problem in the last two years.

I confessed everything in front of God and asked [Him] to deliver me.

Then David Ohin prayed for me and broke the power of that spirit, cast it out and covered me with the blood of Jesus.

From that very moment onwards I am healed and released from that bondage. Now I am free and praise God for it!!!!

Huge thank you for your prayer-support!
