Best Baptism Ever

'But as for me and my house, we will serve the LORD.'
Joshua 24-15

David baptised a lot of people, but what an outstanding joy

to be able to baptise his own sons since he got baptized.' Then he said, 'Now we are altogether.'

In the afternoon playing hello neighbour, Jadon said, 'It's so exciting I have been baptized.' He said the best few seconds of today was 'when I went under the water, and came out again.' When he was under there, he remembers the sun shining through the water, unlike the rain and the wind of the morning. He never thought he would have such a nice memory of it.

unforgettable memory for our whole family. Caleb was so happy after he was baptized. He also thanked us lots of times throughout the afternoon and evening for baptizing him. He said, he has 'never felt as happy as today

Boys' Baptism Testimonies

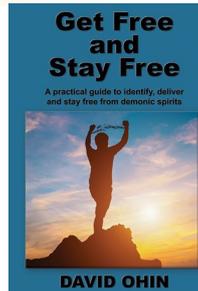

Caleb:

A few months ago I told Mummy, I want to be baptised. So, we looked at baptism in our devotions in the evenings. I'm so excited about my baptism. Baptism is a death of the old nature and the birth of the new life with Jesus. We gradually learnt more and more about baptism. I want to be baptised because I want to be in God's family and go to Heaven. But also because Jesus tells me so in God's Word and I want to follow Him and be closer to God. To me, Jesus is my refuge and fortress and my Saviour; He's saved me from my sins by dying on the cross. I'm ready for it and don't want to wait any longer. So, we decided to do it in our back garden in the pool. We were discussing how to have our cameras set up for the photos and filming. I want to get baptised in the Holy Spirit too.

Book- Get free and Stay Free

We have met a lot of people in different countries including Britain, Christians and Non-Christians who were bothered with strongholds of the enemy. They were ignorant how to break through to freedom. Many people got free but didn't stay free. **This is the reason David wrote a book about it.** We are excited to tell you that it has been published now. If you would like a copy for yourself or know someone who struggles with issues of this kind please order here: <https://www.advbookstore.com>, amazon or kindle (search by 'David Ohin', not by book title due to a technical issue.)

Work Abroad

David preached 'in Pakistan'

That was a first! :-) David was asked to preach to a group of Pakistani people through a video call on WhatsApp. There were both believers and unbelievers listening. **About five or six wanted to get baptised afterwards.** The lockdown did not by any means stop souls coming to Christ.

Distributing maize for widows

It was a joy that GAM could distribute bags of maize to many desperate widows in Tanzania. Some of them have a big family. They came in their nicest Sunday clothes to pick up the maize.

Jadon:

I asked daddy when he said good night to me to be baptised and in the next few weeks we looked at all the Verses in the Bible about it, I got really excited and wanted to do it right away but I had to get ready. I really want to be in God's family.

I learnt about it, I read it.... Baptism belongs to redemption. It's dying and rising with Christ. And then on Sunday I got ready to get baptised. I gave my life to Jesus when I was three years old. Jesus is my go to when everything goes wrong and He is also my friend and Saviour who saved me from my sins by dying on the cross!

We may have to move as our house is being sold.

Huge thank you for your prayer-support!
