First Crusade in Pakistan

We praise God so much for His grace He has given to us for our first Crusade in Pakistan in a very remote village (Correction: The village was not New Jerusalem! New Jerusalem will be the next one. My team was already a step ahead :-). **Five Hundred people came and many didn't fit into the room.** So, they sat on the roof and in the street and listened from there. People from 35km away heard about the

crusade and so desperately wanted to come too. They said 'we don't want to miss out on this blessing, can you not send buses to us so that we can join too?' So, we hired a bus to transport them and they were exceedingly happy. In spite of struggles with the internet connection God literally touched many hearts. Many got saved and received Christ. They said 'After this preaching by David Ohin we want to turn away from idolatry worship and follow Jesus and get baptised'. Many claimed that the sicknesses they had went away after David prayed for them. The evening was marked by a huge gratefulness that they could attend such an event. Everybody was so

happy and we have already received other invites to come to their villages for a crusade. David's 'Christian Foundational course' and 'Evangelist School Course' had been translated into Urdu before the event which will now be taught to everybody so that they will get rooted in the

Bible and in Christ. Please pray for these precious people in Pakistan.

Three Witches Got Saved—Tanzania

When we ran our online mission in Kyerwa the news spread quickly. Our GAM Africa director recently went back to that place as we have a Bible College there and three witches came to him saying **we have heard of the crusade by David Ohin and we**

want to get saved and delivered. They gave their lives to Jesus and got free from witchcraft. They are an outcast of society because they have been witches, but we are now trying to build them up and root them in CHRIST.

It is wonderful how God is working beyond what we can imagine. Praise is to HIM alone! Please pray for many more such beautiful testimonies. Also pray for these new-borns because they haven't got it easy, along with protection for all GAM workers.

Honorary Doctorate

The local government in Kyerwa Tanzania were so grateful for the many lives changing through the work of GAM that they have awarded David an Honorary Doctorate of Humanity issued by an American University. **The government has been so impressed to see the power of God manifesting in so very many people's lives.** GAM is the first organisation to minister to people via online preaching and praying for sick individuals

through the screen so the local government sees the ministry as being for the spirit soul and body. David feels this title is not really appropriate for him as ALL glory is God's for what HE is doing in Africa. It is God who opened the doors and who touches all those lives, not us! It is nice to see that the Kyerwa local government does appreciate all that God is doing in their area. And all donations of technical gear to make this possible opens more doors for more

people to be saved and set free. Thank you to all those who have already donated, your generosity is making it possible for God to reach ever further using this innovative method.

Distributing Message via a Big Networks

David has received two messages to the body of Christ for a time like this. These messages have gone to over 25 countries in different languages to many pastors, individuals, churches and Christian conferences worldwide as an mp3 version and paper version. We reached over 10,000 people. We also put it onto our youtube channel for you to listen to if you would like

Testimonies

Rohshal (Pakistan)

When I went to a party in a Muslim school an unclean spirit entered into me. When I came back home that night this spirit took hold of me and bothered me a lot. Many pastors came to my house to pray for me. While they prayed I was fine, but as soon as they left the evil spirit came back immediately to torment me. One day my father's cousin told us about David Ohin who was working for 3 years with my father's cousin Usman. David prayed for me via a video call and cast that demon out. **At the time I was sitting on the bed and when that evil spirit left me I fell backward on the bed and I was immediately totally free.** It never came back. I praise Jesus Christ and thank Him so much that he used David to deliver me from this unclean spirit.

Muntzar (Pakistan)

I was in a lot of pain with my back and waist for two years. I could not even walk nor work for two years. I was in bed most of the time and took medicines from different doctors but no one could help to give me relief of pain. But on July 10th at the end of the crusade David Ohin said to lay your own hands on yourself which I did. **Then he prayed and God healed my back.** I walk now without pain and do my jobs. I'm so thankful and give God all the glory.

Huge thank you for your prayer-support!

David & Jenna
