Never Seen this Before! - Uganda Crusade

I have never seen anything like it! This refers to both tremendous difficulties and demonic resistance, as well as the power of God. In the first meeting we found out why. There are many demonic altars and witchdoctors in that place who were fighting against us with great force.

First of all, we could not overcome the technical problems. In the test run things worked out fine in the end, but later, not in Agago. At last, we improvised and the crowd could see me on the screen without the sound. I then literally preached through whatsapp while they held the mobile phone to the microphone and

translated from there. (There were other intense battles which I don't mention here.)

When I made the altar call only four came forward. This had never happened before when the crowd was that big. **There were 1500 people present** and they evidently were touched by the presence of God and yet only four responded. I realised the demonic forces were very active in that crowd literally holding them back from coming to Christ (see in the testimony section when an agent of satan reveals her mission). What happened next was nearly unbelievable. **I started to pray for the crowd and then many, many demons manifested strongly in the people.** Many men and women were literally demonised. There was a big (controlled) chaos as some were shaking forcefully and rolling on the ground all over the place. **After about 2 hours**

of deliverance all were free from these evil spirits tormenting them. The presence of God saturated the whole place mightily. And then people wanted to get saved and made their way to the front and knelt down before their Saviour JESUS CHRIST. The power of God was tangible and many miracles happened. This meeting lasted over seven hours. **We praise God for your prayers and the 83 souls who got saved within the three days.** The pastors baptised them and taught them our two courses to root them in the Word of God and in CHRIST. Please continue to pray for them as they need much spiritual protection.

God is Moving among Pastors

After the message David received for the body of Christ reached pastors in Tanzania, 70 pastors asked David to run seminars for them. We as GAM decided to open it up to any pastors in Tanzania. A few days after that we had to put a final restriction of numbers to it as we are hosting the event (feeding them). **The interest was so big that the numbers increased to 500 pastors within a few days.** This was a big sacrifice for each participant financially as they had to pay to get there

and many also for the accommodation. It was an amazing conference.

The pastors and bishops were so extremely appreciative and very happy. They received the teaching like a sponge. **This conference has made a big impact in Tanzania as a fire**

has been kindled afresh in so many pastors and bishops. They took a lot of notes and have spread the message all over the country.

Thank you for standing with us as.

Testimonies

Pastor Sam the main coordinator of the crusade sent the following:

" We are so happy to send you some of the many wonders which the LORD has done here in UGANDA, Agago in Omot sub county. Just a few which have been recorded:

Testimony 1:

One woman who went to the witchdoctor for healing not far from the crusade ground, while the crusade was on, suddenly was sparked by the fire of the Holy Spirit which came from the man of God David Ohin at the crusade. When David shouted with a loud voice into the microphone 'in the name of JESUS...' that woman escaped from his hands with loud screaming and ran with enormous speed to the crusade ground. She fell down on her knees and surrendered to Jesus Christ. The man of God commanded the demons to leave and then she vehemently shook and fell down seven times tormented by the evil spirits before they left. Then she was free and delivered and became a Christian.

Testimony 2:

Another lady who accidentally ate poison was delivered from it and from the effect of it. She started to vomit and something like black charcoal came out. She is now released and all her pain left her from her throat.

Testimony 3:

A young man who was known by many indigenous people in the village was mute for many years and could not speak. When the man of God prayed the man opened his mouth straight-away and started to talk. Although he still lacks words to speak properly, he can talk now while before no sound came out.

Government Official Pray for GAM

We are honoured that a prayer meeting was organized in Tanzania where Bishops, government officials, regional police officers and parliament members joined in prayer for Gospel Alive Ministries to reach African countries with the gospel of Jesus Christ. This is absolutely amazing and only the grace of God that we have found so much favour in Tanzania and an open door!

Testimony 4:

One demonised woman started to manifest strongly and came to attack the screen and the camera and tore the HTML cable apart with supernatural strength. After she was delivered from those evil spirits, she confessed that she was an agent of satan who was sent to attack Apostle David Ohin but could not access him. She revealed that the reason why they targeted the man of God was because he was directly attacking their kingdom (of satan). Secondly, the plan was to totally destroy and disorganize the crusade. Thirdly, to harden the people's heart so that they will not get saved and come to Jesus Christ. That lady surrendered her life to Jesus and is now free.

access him. She revealed that the reason why they targeted the man of God was because he was directly attacking their kingdom (of satan). Secondly, the plan was to totally destroy and disorganize the crusade. Thirdly, to harden the people's heart so that they will not get saved and come to Jesus Christ. That lady surrendered her life to Jesus and is now free.

Testimony 5:

Another lady had a blood flow for 5 months and when David Ohin pointed at her through the screen and commanded the evil spirit to leave, she fell down with a lot of screaming. The demon left her and she was healed from bleeding.

Testimony 6:

Three drunkards got saved after hearing the message and one of them got delivered from the spirit of addiction. He was heavily addicted to cigarettes. He surrendered all the cigars over to the pastors. We will monitor him now.

Testimony 7:

We (pastors) also testify, that a heavy storm was raging our way to the crusade ground and threatened us with a very heavy rainfall which would have totally interrupted our meeting. When it rains here then everything gets totally muddy and dirty which makes it very uneasy to move. But we all prayed against that storm and suddenly the storm supernaturally turned away and we stayed totally dry.

Praise God for all HE had done in these few days. We are so amazed and astonished by the grace of God!

Book Distribution

David's book is in great demand in Tanzania. Many pastors have come from different areas in Tanzania to pick up David's book and the two courses. Almost daily a pastor or more than one is in the 'office' to obtain a book. They teach it in their churches and it equips them in their ministry. We are so grateful to the Lord that we have been able to purchase a mass production printer to print out our courses. And we can bind them too as David took a binding machine last time he was there. These have been in such high demand it made more economic sense to print ourselves rather than get a printers to copy a certain amount- only to run out again.

Digging a Well

This is a very exciting and hugely needed project, but also extremely challenging. **The LORD showed us very clearly to dig a well on our 3 acres of land we have so that we can produce food as famines are going to be an enormous challenge in the coming years.** Once we have water and its irrigation system, we will be able

to plant and harvest four times a year and from this also finance crusades for the advantage of the Kingdom of God. Please pray that God will provide us with the funds. The whole project costs £12,500.- and we still need £5,700.-

Swiss Trip

The weekend in Switzerland was very busy with different meetings and ministering to individuals, but very fruitful as a result of your prayers. **Altogether four precious souls committed their lives to Jesus.** One lady received deliverance of demonic influences and inner healing and a young man received relief of distress from a trauma. We are extremely happy what God did and give HIM ALL the glory because it's his work! Please pray for these people as they need to become stable now in Christ.

Message to the Body of CHRIST

As we have mentioned before, David received specific messages to the body of Christ. **The first one has now reached over 50 different countries by the grace of God.** If you have missed any of the messages here they are:

Merry Christmas & Happy New Year!
